

HEY AGX!

Welcome to Pittsburgh, a city known for its rich history, stunning landscapes, and vibrant culture. As stewards of our planet, we have an incredible opportunity to explore and appreciate the beauty of Pittsburgh while making sustainable choices that contribute to a greener future. By opting for multimodal travel options, we can not only enhance our conference experience but also reduce our environmental footprint and engage with the character of this remarkable city in a uniquely human way.

WHY MULTIMODAL TRAVEL?

Walking, biking, and public transit offer a host of benefits to individuals and the community as a whole. By incorporating these sustainable modes of transportation into our daily routines, we can enjoy a myriad of advantages, such as:

ENVIRONMENTAL SUSTAINABILITY

ACTIVELY REDUCE GREENHOUSE GAS EMISSIONS FOR CLEANER AIR QUALITY.

HEALTH AND WELL-BEING

ENJOY THE INVIGORATING PHYSICAL AND MENTAL BENEFITS OF PHYSICAL EXERCISE.

EFFICIENT AND CONVENIENT

EXPLORE AT YOUR OWN PACE WITHOUT THE STRESS OF DRIVING AND PARKING.

Explore, Connect, Conserve
