The Board of Directors of the Applied Geography Conferences warmly invites you to participate in AGC 2020, running from October 18-20. This is the first AGC meeting to be held entirely online.

The Applied Geography Conference provides a forum for the exchange and critique of ideas related to the application of geographic concepts, analytical techniques, data, and methods. The conference brings together practitioners, academics, and other professionals who seek geographic solutions to societal problems.

AGC Journal: *Papers in Applied Geography*

Papers presented at the conference are welcome for submission for publication consideration in our AGC flagship journal, *Papers in Applied Geography*.

Please see the Papers in Applied Geography website at <https://mc.manuscriptcentral.com/rpag> for details on the submission and review process.
